

## **Day 15 – Staying Planted**

### **Scripture**

“Those that be planted in the house of the LORD shall flourish...” – Psalm 92:13 (KJV)

### **Insight**

A plant uprooted repeatedly cannot flourish. Likewise, believers who move from one spiritual covering to another without divine leading struggle to grow deep roots.

Your spiritual father’s house is where you are nurtured, trained, and prepared for fruitfulness. Staying planted allows consistent growth and maturity.

Flourishing is the result of faithfulness over time.

### **Reflective Questions**

Am I firmly planted where God has placed me?

### **Actionable Steps**

Resist the urge to move unless God clearly directs it.

### **Prayer**

Lord, help me stay planted so I can flourish.

---

God bless you!
