

Day 15 – Dominion Through Wisdom

Scripture

“Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.” (Proverbs 4:7 KJV)

Devotional

Wisdom is the ability to apply knowledge correctly, and it is essential for dominion. Without wisdom, power and authority can be misused. Faith opens you to divine wisdom, and wisdom helps you reign in life. Dominion is sustained when decisions are guided by God’s wisdom.

Meditation

Wisdom from God empowers me to reign in life effectively.

Declaration

I walk in divine wisdom and understanding. I make wise decisions that sustain dominion.

Prayer Point

Lord, fill me with Your wisdom for daily living and decision-making.

Action Point

Ask God for wisdom in one major decision you need to make this week.
