

Day 23 — Citizens of Heaven

Scripture:

"For our citizenship is in heaven; from which also we look for the Saviour." — Philippians 3:20

Key Thought:

Eternal life makes you a citizen of heaven, not just an inhabitant of earth.

Devotional Insight:

You may live on earth, but your true home is in heaven. You represent the Kingdom wherever you go. Walk with the dignity, peace, and authority of one who belongs to a higher realm. The way you live today should reflect where you truly belong.

Reflection:

Am I living like heaven's ambassador or like the world's resident?

Prayer:

Lord, remind me daily that I am Yours and my true home is with You. Help me live as a faithful citizen of heaven. Amen.
