

Day 26 – Favor Attracts Blessings

Scripture

Deuteronomy 28:10 – “And all people of the earth shall see that thou art called by the name of the LORD...”

Devotional Thought

When God’s favor rests on you, blessings are drawn to your life. Others see the evidence of His favor and are compelled to honor and bless you.

Favor makes you attractive—not by appearance, but by the glory of God that rests on you. Like Ruth, Joseph, and Daniel, people will recognize the hand of God on your life.

Practical Application

Live with expectation. Wherever you go, believe that God’s favor will attract blessings and helpers to you.

Meditation

God’s favor makes me a magnet for blessings.

Prayer

Lord, let Your favor attract good things, good people, and divine blessings into my life.
