

Day 28 – Favor Makes You a Blessing

Scripture

Genesis 12:2 – “And I will bless thee... and thou shalt be a blessing.”

Devotional Thought

God’s favor doesn’t stop with you—it flows through you. Favor makes you a channel of blessing to others. Abraham was favored to become a blessing to nations.

When you carry favor, people around you benefit. Your presence brings solutions, provision, and joy to others.

Practical Application

Look for opportunities to share God’s blessings. Favor multiplies when you become a blessing.

Meditation

I am blessed and favored to be a blessing to others.

Prayer

Lord, let Your favor flow through me to bless others. Make me a channel of Your goodness.
