

# **Day 29 – Favor Brings Divine Help**

## **Scripture**

Psalms 121:2 – “My help cometh from the LORD, which made heaven and earth.”

## **Devotional Thought**

Favor attracts divine help in times of need. You are never left stranded when God’s favor is on your life. Helpers will rise, doors will open, and resources will appear.

Unlike human help, divine help never fails. God raises people to support and assist you at the right time.

## **Practical Application**

Stop depending solely on human help. Expect divine help from God’s favor.

## **Meditation**

God’s favor surrounds me with divine help.

## **Prayer**

Lord, let Your favor raise helpers for me today. Send me help from above in every area of need.
