

Day 29

The Legacy of Love

Scripture

“By this shall all men know that ye are my disciples, if ye have love one to another.” – John 13:35 (KJV)

Insight

Love is the signature of true discipleship. Mentorship rooted in love leaves an enduring legacy—people remember how you cared, not just what you taught.

Love is patient, sacrificial, and committed. It seeks the good of others even at personal cost.

Reflective Questions

Is love the primary mark of my relationship with my mentor and those I lead?

Actionable Steps

Do one act of love for your mentor or mentee this week.

Prayer

Lord, help me to walk in love as the defining mark of my life.

Declaration

I lead, serve, and live in love as Christ loved me.

God bless you!
