

Day 8 — The Sure Promise of Eternal Life

Scripture:

"And this is the promise that he hath promised us, even eternal life." — 1 John 2:25

Key Thought:

Eternal life is not a possibility — it's a promise.

Devotional Insight:

God doesn't make promises He cannot keep. Eternal life is His personal assurance to everyone who believes. This promise rests not on your performance, but on His unchanging Word. When you hold onto His promises, your heart finds peace.

Reflection:

Do I fully trust in God's promise of eternal life?

Prayer:

Father, thank You for Your unchanging promise. Help me rest in the assurance that my life in Christ is secure forever. Amen.
