

Day 18 – The Word Gives You Victory

Scripture: 1 John 2:14

“The Word of God abides in you, and you have overcome the wicked one.”

Meditation

Victory is not driven by feelings but by what abides within you. When the Word lives in your heart, it empowers you to overcome temptation, fear, and every form of darkness.

Reflection

Your greatest defense and advantage is a Word-filled heart.

Confession

The Word abides in me. I overcome temptation, fear, and darkness daily.
