

Day 20 – The Word Makes You Wise

Scripture: Psalm 19:7

“The testimony of the Lord is sure, making wise the simple.”

Meditation

True wisdom doesn't come from experience alone but from revelation. God's Word teaches you how to think, decide, lead, and live with divine understanding.

Reflection

Wisdom grows through obedience to God's voice, not information alone.

Confession

The Word gives me wisdom for every decision. I walk in divine understanding daily.
