

## **Day 27 – The Word Will Judge All Things**

**Scripture:** John 12:48

“The word that I have spoken will judge him in the last day.”

### **Meditation**

God’s Word is eternal and unchanging. The same Word that guides us daily will stand as the final standard before God. Living by it now prepares your heart for eternity.

### **Reflection**

Value the Word not only as daily guidance but as your eternal reference point.

### **Confession**

I live by the eternal Word. My heart is aligned with heaven’s truth.
