

Day 2 – The Word Is God Himself

Scripture: John 1:1

“In the beginning was the Word, and the Word was with God, and the Word was God.”

Meditation

To love the Word is to love God. You can't separate His presence from His voice. The more Word you receive, the more of God you experience.

Reflection

Treat every Scripture as a personal encounter with the Living God.

Confession

When I receive the Word, I receive God. His presence grows stronger in me every day.
