

## **Day 3 – The Word Creates**

**Scripture:** Hebrews 11:3

“The worlds were framed by the word of God.”

### **Meditation**

Everything you see was created by words. Your life can be reshaped by the same creative power when you declare the Word in faith.

### **Reflection**

Your confession builds your world — speak life daily.

### **Confession**

By the Word of God, I shape my destiny. My words create order, peace, and blessing.
