

## **Day 5 – The Word Is Seed**

**Scripture:** Luke 8:11

“The seed is the Word of God.”

### **Meditation**

Every promise in the Bible is a seed. When planted in your heart and watered by faith, it produces results in due season.

### **Reflection**

Guard your heart's soil; let only the Word take root there.

### **Confession**

The Word is growing in me like a fruitful seed. My life produces good results in due season.
