

## **Day 11 – Sin Has Lost Its Dominion**

**Scripture:** Romans 6:18

"You have been set free from sin and have become slaves to righteousness."

### **Meditation**

You are not trying to overcome sin; you already have through Christ. Freedom is your present reality, not a future promise.

### **Reflection**

Don't fight from defeat — walk from victory. Live daily from what Christ has already accomplished.

### **Confession**

Sin has no power over me. I live in righteousness, peace, and holiness.
